Rooted in Excellence

Building with Integrity and Trust

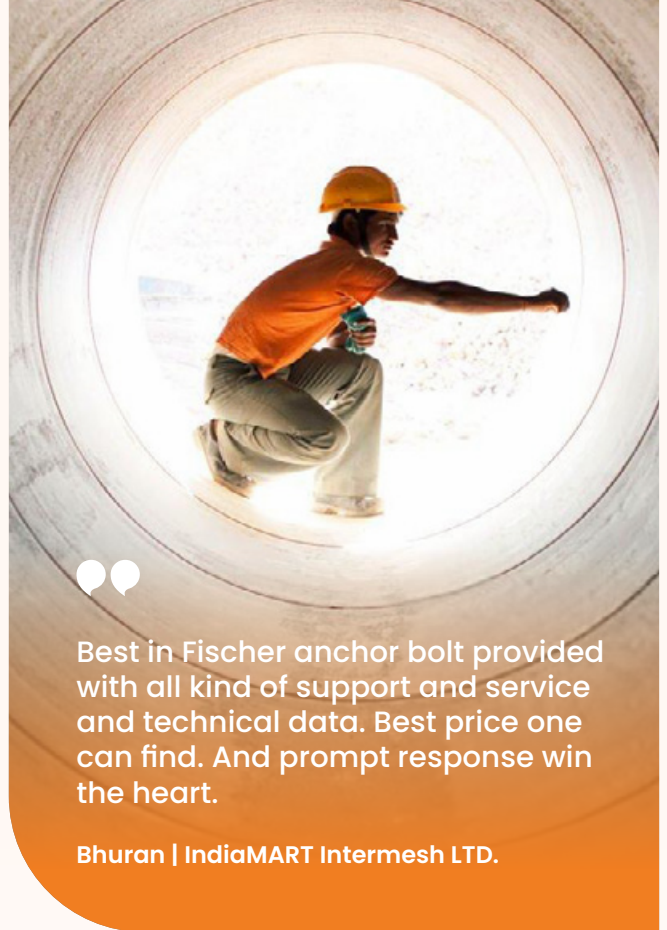

Established in Pune in 2019, SSB Ketana Enterprises has quickly become a cornerstone of the construction industry across India. Founded by **Sharadchandra Bhalerao** and **Shraddha Bhalerao**, our firm specializes in providing top-tier anchoring systems, construction chemicals, and waterproofing solutions.

As authorized distributors and skilled applicators of **SIKA Waterproofing Chemicals** and **FISCHER Anchors & Chemicals**, we ensure each project upholds the highest standards of quality and efficiency. Our commitment to innovation and excellence makes us a trusted partner in building durable and safe infrastructure.

Looking forward, we continue to embrace cutting-edge technologies to lead the market in creating sustainable and effective construction practices.

Our ultimate strategy is to forge lasting relationships with clients and partners, fostering a network that thrives on mutual success.

Best in Fischer anchor bolt provided with all kind of support and service and technical data. Best price one can find. And prompt response win the heart.

Bhuran | IndiaMART Intermesh LTD.

Vision

To lead the future of construction by pioneering innovative and sustainable solutions that enhance the way we live and build.
